Community Saferooms

The Jacksonville community has several saferooms for community members to use in the event of severe storms. Saferooms are opened when the National Weather Service declares a tornado watch or warning. Unfortunately, pets are not allowed. See the list below to find the location nearest to you:

Community Saferooms in Jacksonville, **Alabama**

Public Safety Complex

911 Public Safety Dr.

Nances Creek Park 3817 Hollingsworth Rd.

Merrill Hall at JSU 975 Pelham Rd. N

Cedar Springs Saferoom

78 Cedar Springs Dr.

Williams First

5579 County Rd. 37 **Baptist**

Leone Cole Auditorium at JSU

Behind ISU Quad (Leone Cole is a Safer Place, which is not FEMAapproved as a saferoom, but is structurally sound for a severe weather shelter.)

JACKSONVILLE COMMUNITY SAFEROOMS

Community saferooms are opened when the National Weather Service issues a tornado watch or warning.

Public Safety Complex 911 Public Safety Dr.

Nances Creek Park 3817 Hollingsworth Rd.

Merrill Hall at JSU 975 Pelham Rd N.

Cedar Springs 78 Cedar Springs Dr.

Williams First Baptist 5579 County Road 37

Leone Cole Auditorium at JSU Behind JSU guad

A safer place is not a FEMA-approved saferoom but is a structurally sound building to take shelter in during a tornado or wind event.
