

The Jacksonville Planning Commission is authorized and directed to review all public and private land use, developmental plans, including residential, industrial, commercial, and agricultural. The Planning Commission also reviews the plans for the construction of new structures, rehabilitation, remodeling or expansion of existing structures proposed within the city which are classified as major construction as defined in Section 24-2 of the Code of Ordinances of the City of Jacksonville, Alabama.

Meetings are held on the Thursday following the Third Tuesday of each month at 6:00 p.m. in the court room at the Public Safety Building, 911 Public Safety Drive, SW.

Anyone with questions in regard to the Planning Commission can contact the City's Planning Department at (256) 782 -3842.
