By signing below, I authorize the Water Works, Gas & Sewer Board of the City of Jacksonville to deduct the charges owed for my utility bill from my bank account. I understand that this will be deducted from my account on the 10th of each month. If the 10th is on a weekend or a holiday, the amount owed will be deducted the following business day. I understand that I will continue to receive my monthly bill from the Utility Office for information purposes only. If I decide to stop the bank draft of my utility bill, I must give a minimum of two weeks notice before the next draft date.
