Building Permit Renewal Application

Name: _____

Home Address: _____

City: _____ State: _____ Zip: _____

Project Address: _____ Beginning Date of Project: _____

Expected Completion Date of Project: _____

Has the cost of the project changed?: _____ If yes, what is the difference?: _____

State Existing Use of Property: _____

Description of Proposed Construction:

Areas of Proposed Construction:

Qualifying Requirements: The work authorized by the permit is substantially underway and progressing at a rate approved by the building inspector. "Substantially underway" means that work such as remodeling, roofing, framing, siding, electrical, mechanical, plumbing and finish work is being completed on a continuing basis.

An extended permit is considered expired if no inspections have occurred within 180 days from permit issuance or 180 days from the last inspection.

APPLICATION IS HEREBY MADE to the Building Department for issuance of a building permit renewal pursuant to the Building and Zoning Codes in effect on the date of building permit renewal application for the construction of buildings, additions, or alterations, or for removal or demolition, or for any change of use as herein described. The applicant agrees to comply with all local, state and federal laws applicable. The applicant consents to permit the building inspector and any officer or employee of the Building Department to enter upon the subject premises without a search warrant for the purpose of inspecting the building and work.
