JBAC Meeting 1/21/14

1. Meeting called to order at 7:01

Present are: Mr. & Mrs. Wirtz, Chief Thompson, Jack Plunk, Ken Washington, Ron Wilson, Suzy Spiceland, Mark Jones

2. Addition to #8 of the minutes: Council passed the Complete Streets ordinance. Also we passed out our brochures.

Motion and second to adopt the minutes by Mark Jones and Ron Wilson.

3. Membership--Henry Campeaux resigned, and Mike Poe, too. We will get in touch with Gordon Harvey to see about appointing him. Ron suggested Mike Langley. Ms. Spiceland will get address for Gordon to Mr. Jones (mjones@jsu.edu). We would like to try to get some younger members if at all possible.

On the membership list provided, Ms. Spiceland's first name is misspelled (s/b Suzy). We have not heard from Ms. Young recently, so we will need to replace her.

4. Examined the Straight Line map draft.

Discussed the 11th St. cut-through that Mark Jones would like to see.

By having this map designed and already in a JPG, the price will be less than we had already discussed to make it into a sign.

We will use this draft. Jack will talk with Ms. Burns to see about how to get it displayed.

Mark Jones made a motion to put the map on the website, Ron Wilson seconded. Motion passed.

5. \$420 in the bank. Still need shirts at the Rec Center. Mayor needs to talk to Ms. Burns about this. Jack will get in touch with him.

6. Sharrows Phase 2-- none on Gardner yet since the repaving, and the old ones are now fading. We need to push these more in 2014.

7. Articles about how bicycle riding can improve your town. Ms. Spiceland suggested giving copies of the articles to the mayor and council members. Also, we ought to put links to articles on the website.

Maybe we can get some of this info to the marketing/newspaper department at JSU to get one of their students to an article for the

Jax News.

8. Suggestion made to meet at 6:00 instead of 7:00 from now on.
Motion made and accepted. March 18th.

9. Meeting adjourned at 7:33
