

JBAC meeting 5/12/15

Jacksonville Community Center

1. Meeting called to order at 6:10. Present are Jack Plunk, Suzy Michelson, Lynn Hoffman-Wirtz, Ron Wilson, Ken Washington

2. Minutes reviewed. Motion made to adopt by Lynn, seconded by Ron. Motion passed.

3. Temporary logo designed by Jack for the Chief Ladiga Cruise shirts. It appears on the back, displayed prominently.

4. Bank account info--\$1334 in the account now. We added \$48 from shirt sales since the last meeting. We spent \$240 on more shirts, \$500 on the Cruise sponsorship, and \$50 on the Quick Guides. The guides look nice. Jack printed some stickers for the back that read "compliments of the JBAC".

5. These Quick Guides will be given out at the Cruise, along with coloring books, magnets, maps, and bicycles safety brochures.

6. Jack has a table and a tent. We will be near the main tent at Pete Mathews. Jack will drop off the stuff Saturday night. Lynn will ride her bike and be there around 5:30. Ron will be there around 5:45. If the tent is on grass, Jack will set it up Sat. night. He will bring a JBAC sign. The tent is a cream color. Ron will bring change for those who pay with cash. We aren't doing a rest stop due to lack of participation. Jack figures that we can break the tent down and leave around 9:30.

7. The bump at the first bridge between here (at Maxwellborn) and Piedmont is fixed. Hopefully, it won't be long to get the rest of the bridges done.

8. Next meeting July 21.

9. Meeting adjourned 6:31.
