CITY OF JACKSONVILLE

Jacksonville, Alabama

City Code Sec. 24-89 (b) (7) Home occupations; provided, that:

- a) There is no external evidence of such occupation except an announcement sign not more than two square feet in area;
- b) The operations are conducted within a dwelling by not more than one person in addition to those persons residing therein;
- c) The use of the dwelling unit for the home occupation shall be clearly incidental and subordinate to its use for residential purposes by its occupants, and not more than 25 percent of the floor area of the dwelling unit shall be used in the conduct of the home occupation;
- d) No traffic shall be generated by such home occupation in greater volumes than would normally be expected in a residential neighborhood, and any need for parking generated by the conduct of such home occupation shall be met off the street and other than in a required front yard;
- e) No equipment or process shall be used in such home occupation which creates noise, vibration, glare, fumes, odors or electrical interference detectable to the normal senses off the lot, if the occupation is conducted in a single-family residence, or outside the dwelling unit if conducted in other than a single-family residence. In the case of electrical interference, no equipment or process shall be used which creates visual or audible interference in any radio or television receivers off the premises, or causes fluctuations in line voltage off the premises.
