City Clerk

In an effort to keep our citizens, employees, and public officials healthy and minimize any risk of exposure, The City of Jacksonville is asking that you adhere to the following rules when attending Council Meetings:

- If you are sick, have a cough, sneezing, runny nose, ect., please stay at home. If you are at the meeting and experience any of these symptoms, please leave the meeting and return home.
- Public – do not use the first 3 rows of seating and maintain a 6-foot distance between other citizens.
- No handshaking.
- No personal interaction during meeting breaks.

Social distancing is an intervention to increase the physical distance between people and reduce the spread of the disease.

Please also remember to wash your hands often with soap and water for at least 20 seconds, avoid touching your eyes, nose, and mouth with unwashed hands, cover your cough or sneeze with a tissue, avoid close contact with sick people, and clean and disinfect surfaces and objects often.

Thank you for your understanding.
